MEMORANDUM FOR FILE:

During Luciano's sojourn in Havana a check of his telephone calls disclosed that he frequently called ATWATER 9-0950, the telephone of Michael Lascari of 111 Park Avenue, New York City. Lascari is a financial associate of Abie Longie Zwillman and both are connected with The Public Service Tobacco Corporation, Hillside, New Jersey.

Lascari also has an address at 25 San Velsore Place, Newark, N. J.; also maintains a telephone at 124 Malone Avenue, Long Beach, New Jersey.

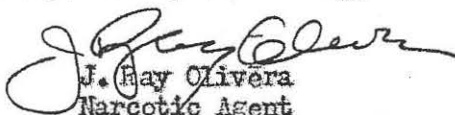

A telephone frequently called by Luciano, at least in nine cases, was White Plains 9-3971, the telephone of M. Galasso. While Luciano was at the Great Meadow Prison in Comstock he was frequently visited by Mrs. Fanny Galasso. Trafalgar 7-6261, also called by Luciano, is the telephone of Louis Finkelstein of 215 West 92nd Street, New York City.

The files of this office disclose the name of Michael Lascari in a letter report dated February 13, 1947 regarding the activities of Sam Accardi. Lascari is also mentioned in a Finance Company letter dated September 9, 1941.

The only Galasso reflected in the files of this office is a Tony Galasso an alias of John Gallo.

While there is a Louis Finkelstein mentioned in our files the address given is 1863 Second Avenue and because this general file has been temporarily misplaced no comparison can be made of these individuals.
